

SJC Clubs

Clubs serve various purposes within communities, and societies, offering members opportunities for social interaction, skill development, and personal growth. It fosters a sense of belonging and camaraderie among individuals who share common interests or goals. Clubs provide platforms for skill development and learning and offering workshops, training sessions, and hands-on experiences tailored to the interests of their members. Members often have the opportunity to take on leadership roles within the club, such as president, treasurer, or event coordinator. Through these roles, individuals learn to communicate effectively, delegate tasks, and collaborate with others towards common objectives which experiences in leadership and teamwork are invaluable in both personal and professional settings.

Citizen Consumer Club

Citizen Consumer Club educates the students about the rights of consumer as stated in Consumer Protection Act, 1986. The Club disseminates information gained among their fellow students as well as to the people living in their respective localities. The motto of Right to Citizen Consumer club is Aware, Alert and Act. It conducts various programs and competitions relevant to consumer, rights, awareness and responsibilities for the benefit of the students.
