Organic Club

The Organic Club promotes the principles of organic living and sustainable agriculture. It encourages students to adopt healthy lifestyles by consuming organic produce and understanding the benefits of organic farming.

Policies and Practices:

1. Membership: Open to all students interested in sustainability, agriculture, and healthy living.
2. Activities: Organize workshops on organic farming, campus organic gardening projects, and health awareness campaigns.
3. Sustainability: Encourage the use of organic products and sustainable farming practices.
4. Collaboration: Partner with local organic farms and markets for field trips and practical learning.

Outcomes:

- Increased awareness of the benefits of organic living.
- Development of sustainable agriculture practices among students.
- Contribution to the college's health and wellness initiatives.
