## Green Campus Policy

### Aim:

To nurture and promote environmental sustainability and to make our campus, green and clean.

### Objectives:

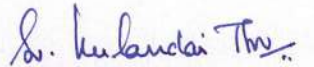

- To foster healthy surroundings and conservation through action-based programs.
- To promote awareness of the 4Rs (Review, Reduce, Reuse, Recycle) for conservation.
- To motivate students to maintain green and clean surroundings through tree plantation drives.
- To promote ethos on water conservation.
- To empower students to create environmental friendly and ecologically sustainable products, thus reducing the demand for single-use plastics.

### Practices:

- Eco club is constituted to decide the ways and means of making the campus green.
- Placards are kept at various places in the campus, stating the importance of energy conservation.
- Seminars, workshops and awareness campaigns are regularly organized to educate the college community on environmental consciousness.
- Tree plantation drives, conservation efforts, energy-saving schemes and waste reduction initiatives are organized.
- Notable events like World Ozone Day, World Water Day, World Environment Day and Wildlife Week are observed.
- Students are encouraged to use non plastic water bottles.
- Students do awareness campaigns on Plastic free society with the local community through initiatives like Unnat Bharat Abhiyan (UBA), Eco Club and Society Inclusive Education.
- The college maintains herbal garden to promote knowledge about natural medicines and encourages the use of ancient herbs among students and faculty.
- Students make paper bags and distribute them for use in the college canteen, rest rooms and to the neighboring small-scale shops.
- Green Audit is conducted.
