## E- Governance Policy

### Aim:

To implement E- governance in various functioning of the institution in order to provide simpler and efficient system of governance within the institution

### Objectives:

- To promote transparency and accountability in various functions of the college.
- To provide easy access to information.
- To promote digitalization in academic and administrative functionalities.

### Practices:

- In an e-Governance framework, students' admission, fees collection, attendance tracking, internal marks preparation and library management are seamlessly integrated.
- Effective communication is practised through e-Circulars.
- This system also includes an E-content/ CAMU LMS portal for academic resources and a students' web portal for access to personalized information and services.
- Additionally, students' feedback mechanisms are embedded for continuous improvement and engagement within the educational ecosystem.
