## Women Cell Policy

### Aim:

To empower Women with the initiatives through the Women Cell

### Objectives:

- To cultivate self-confidence among women and raise awareness about women's welfare laws.
- To generate social consciousness regarding women's issues, particularly gender discrimination.
- To empower women to navigate and redefine their roles in society.
- To foster an environment conducive to women realizing their full potential and delivering their best.
- To encourage students to pursue self-reliance and economic independence.

### Practices:

- Women Cell of the college is dedicated to fostering an environment where the voices, experiences and welfare of students, faculty and support staff are acknowledged, respected and empowered.
- The Cell creates a safe and inclusive campus where women can thrive, contribute and lead with confidence and self-assurance.
- Awareness among students is raised about the challenges faced by working women through seminars, webinars, workshops, trainings regularly.
- Programs focusing on health, personality development and other areas of importance are organized once in a month focusing on women's empowerment, women safety and skill development.
