

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Title of the practice: Elevate and Empower: A Holistic approach to Skill Development

Objectives:

- Enhance employability and entrepreneurship skills among students.
- Enable students to pursue careers with essential skill sets.

Context:

- The nation's social and economic development relies on students' abilities and skills.
- Students need to learn beyond the curriculum due to global circumstances.

Practice:

- To bridge the curriculum gap and meet the demands of the corporate and industry sectors, all departments of the college provide certificate courses and value-added courses.
- Departments, Associations, and Clubs organize and carry out Student Enrichment Programs.
- A group of students, along with professors and students working under the direction of the relevant Head or Coordinator, comprise the organizing committee for events.

Evidence of Success:

- Increased Student Self-Employment and Entrepreneurial Endeavors
- Higher Placement Rates in Diverse Corporations and Industries
- Ease of Pursuing Higher Studies with acquired Skill Sets

Problems Encountered and Resources Required:

- Allocation of time for events in addition to syllabus coverage.
- Expenditure for event preparation and implementation.

Title of the Practice 2: Social Responsibility and Fostering Eco Consciousness"

Objectives of the Practice:

- Educate the society with basic knowledge on Women's Health.
- Infuse students with cleanliness and hygiene awareness.

The Context:

- Tirupur's socio-economic status and pollution from textile parks necessitate social and environmental responsibility.

The Practice:

- Unnat Bharat Abhiyan, Swachh Bharat, department-led extension activities, clubs and associations promote social engagement.
- Rainwater harvesting, waste management, and energy conservation measures are implemented.
- MoUs with NGOs support environmental sustainability efforts.

Evidence of Success:

- Numerous activities and awards demonstrate the impact on society and environmental sustainability.
- Collaborative efforts with NGOs and community engagement enhance outcomes.

Problems Encountered and Resources Required:

- Convincing social institutions and obtaining permissions pose challenges.
