## Research Policy

### Aim:

To create research culture among the faculty members and students thereby nurturing innovation in Research and Development, Quality Publications, Patents and Entrepreneurial skills.

### Objectives:

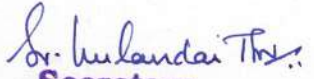

- To promote enhanced research productivity among students and staff.
- To encourage research collaboration across industries and external funding sources.
- To encourage publications in National/International journals/Conferences.
- To facilitate access to research through mobilization of resources and funding.

### Practices:

- Awareness and opportunities are created among the faculty and students to participate in research relevant Programmes.
- Staff members and students are encouraged to publish research papers in National and reputed International Conferences/ Journals.
- Linkages including MOUs are established for long term relationships with national/ research organizations, industry bodies and individual companies for widening the scope of research opportunities.
- Staff members are encouraged to take up Research projects and improve their acquaintance and skills. Applying for the projects such as DST, ICSSR, NAAC, NCW (National Commission for Women) is encouraged.
- Awareness Programmes on Intellectual Property Rights are conducted.
- Financial assistance is given to faculty members to pursue their research in form of seed money.
