## Cyber Security Policy

### Aim:

To safeguard Students from online social threats

### Objectives:

- To instill students with awareness and shield them from the perils of cyber security hazards.
- To raise awareness and protect students from digital threats.
- To provide a congenial and effective learning environment.

### Practices:

- Confidential Data Protection: The students' database is safeguarded and kept highly confidential ensuring the integrity and privacy of sensitive information.
- Controlled Wi-Fi Access: Wi-Fi access within the campus is restricted for educational purposes only.
- Communication Channels: Communication with students is facilitated through platforms such as WhatsApp, Telegram Channels, and Learning Management Systems (LMS), ensuring efficient and safe dissemination of information.
- Cyber-Crime Referral: Students encountering cyber-crime related issues are promptly directed to cyber-crime officials for resolution, emphasizing swift action and recourse in the face of digital threats.
- Awareness Programs: Regular awareness programs are organized for students once in a semester, equipping them with knowledge and tools to navigate the digital realm safely and responsibly.
- Emergency Preparedness: Students are encouraged to install the Kavalan app on their mobile devices, providing them with a vital resource for emergency situations and enhancing their overall safety and well-being.
