15. Multidisciplinary / interdisciplinary

Multidisciplinary or interdisciplinary learning is a "whole" or "comprehensive" method that covers an idea, topic, or text by integrating multiple knowledge domains. It is a very powerful method of teaching that crosses the boundaries of a discipline or curriculum in order to enhance the scope and depth of learning. The College offers Certificate Courses and Value added Courses like Business English Communication, Electronic Technician Training Course, Electronic Technician Training Course, Preparation of Organic Products, Web Designing with Flask, Graphics Designing using Photoshop and Canva, Aari Embroidery, Basic Sketching, Hands -on Workshop on Mobile Service, Adobe Illustrator, Film Making & Youtube Startups, Soft skills on Personality Development, TALLY Ace, Merchandising, MS Office, Tally with GST, Corel Draw, Microsoft Office and Typewriting Higher & Lower [Tamil & English]. These courses are offered in addition to their University Curriculum irrespective of their major subjects in their degree programmes..

16. Academic bank of credits (ABC):

NAD Registration

St. Joseph's College for Women participated in NAD depository services on 17.7.2018. Initially, the students were registered in NAD Registration Portal who were all admitted in the year 2016 - 2017 and 2017 - 2018. Then the process continues to all the students in our college.

Benefits to Students

- The student can view, access and share their digital academic awards with other Academic Institution or potential employers

at any time through the Student Portal of NAD

<https://nad.digilocker.gov.in/students>

- The students need to register in NAD and obtain a NAD ID only once. The same NAD ID has to be used for multiple degrees or higher education of the same student.
- Students who have already registered themselves in NAD and holding a valid NAD ID are required to inform the details to the NAD Co-ordinator.
- Allow students to download/print an authenticated copy of the academic award.
- No risk of losing or spoiling of Academic awards.Reducing the circulation of fake certificates
- Faster Service Delivery.

17.Skill development:

The College organizes various Student Enrichment Programmes, career orientation Programmes, Certificate courses, Value Added Courses, Clubs like consumer Club, Photography Club, Virtual Reality Club, International Eco Club with Nature Science Foundation, Movie Club, Energy Conservation Club and much more to promote Skill Development among the students. 18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

In addition to vernacular language (Tamil), Hindi and French are offered to other State Students as their Part-II Subjects. Various programmes which focus on Indian Traditions are organized regularly. International Yoga Day is celebrated every year. Students are enrolled in Swayam Courses, IBM Certificate Courses and courses offered in Infosys portal. Programmes focussing on Indian and Sate traditions are organized regularly.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The College adapts Outcome based education rather than input oriented bell shaped curve of learning. The following mechanism is followed by the institution to communicate the learning outcomes to the teachers and students.

- Graduate attributes are described to the first year students at the commencement of the programme.
- First week at the commencement of each semester is spent by the teachers for introducing the course outcomes to the students.
- Learning Outcomes of the Programs and Courses are observed periodically.
- Soft Copy of Curriculum and Learning Outcomes of Programmess and Courses are uploaded on the Institution website for reference.
- The importance of the learning outcomes has been communicated to the teachers in every IQAC Meeting and Staff Meeting.
- The students are also communicated about the Programme outcomes, Programme Specific Outcomes and Course outcomes through Tutorial Meetings.
- The website is regularly updated to showcase PO's and CO's.thus they are well aware.

20.Distance education/online education:

Online Classes are also conducted to the Students whenever necessity arises. Exams and assignments are submitted by the Students using various online tools like Google Classroom, LMS etc.Students are enrolled in Swayam Courses, IBM Certificate Courses and courses offered in Infosys portal.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The institution ensures effective curriculum delivery through a meticulously planned and well implemented process as documented below:

- Staff meetings, HOD's Meetings, Meetings within the department, IQAC meetings and Union members meetings are held to upsurge at optimal explications regarding the discussion on various action plans for new ventures at the commencement of every semester to arrive at successful culmination of various student enrichment programmes and other department activities.
- Academic Calendar is prepared as per the Bharathiar University academic schedule.
- In each semester, courses are allotted to faculty according to area of specialization and their skill matrix.
- A Lesson plan is prepared by the respective faculty members at the beginning of each semester for the courses to be

handled by them.

- Well defined Program Outcomes (POs), Program Specific Outcomes (PSOs) and Course Outcomes(COs) aid in providing direction to teaching and other activities.
- Time table for the entire semester is prepared to indicate specific class and laboratory hours.
- Faculty members maintain a Work Diary which consists of the date, period of class taken and the topic handled.
- Feedback from Students, Faculty members and alumni is given due importance in defining graduate attributes.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The academic calendar is prepared well in advance before the commencement of the semester after referring to Bharathiar University Calendar. The Public Holidays are identified and accordingly, the dates for the two CIA Tests and a Model Examination per semester are fixed in the academic calendar. The Internal Tests are conducted in a centralized manner once in 28 days as per the schedule mentioned in the academic calendar. The Units I and II of the syllabus are completed for CIA Test I, Units III and IV for CIA Test II and all the units for Model Examination. Attendance in all the three Tests is compulsory. But alternate tests are given for genuine reasons like sports, sickness, marriage etc. and for those who get marks below minimum. The timetable is prepared as per the guidelines of respective statutory bodies for the number of credit hours for each subject prior to the commencement of the semester.

The curriculum designed by the university includes 31 subjects on Professional Ethics, 08 subjects on Environment and Sustainability, 17 subjects on Human values, and one subject on Gender. Totally, Students learn 57 subjects on the above mentioned cross cutting issues. Some of the highlighting subjects are: Environmental Studies and Value Education-Human rights in I Year, Women studies and General Awareness in the II Year. A paper on Environmental Studies aims to create awareness about conservation on energy, plants, pollution, water and natural hazards. A Paper on Human Rights is to provide students with an in-depth knowledge of the field of Human Rights, in terms of both theory and methodology. Students will also acquire an ability to analyze questions and problems within the field in an independent and critical manner. A Paper on Women's Studies introduces students to the legal provisions for women and women's access to justice. Seminars, Webinars and Guest lectures on Professional Ethics, Gender, Human Values and Environment are conducted by the respective committees. To inculcate human values, thought for the day is read in the daily assembly by a student and a faculty. Environment related activities are carried out by the students as extension activities.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment in college is so transparent that every student has an outline about the standard internal evaluation process of the theory and practical subjects. The institution follows the regulations of Bharathiar University. Assessment of continuous internal evaluation includes the sum of best out of two CIA, a model exam and assignments. Schedule of Internal assessment examinations is well planned and published in the academic calendar and posted in the institutional website. CIA examinations are held once in 28 days.

The pattern, quality and correctness of the question papers prepared by the faculty members for the internal assessment tests are verified by the Head of the Department.

Evaluation is done by the faculty members who handle the respective courses within a week from the date of examination. The answer scripts are distributed to the students for their verification and the satisfaction of the students regarding evaluation is ensured. Signatures are obtained from the students in the Internal Assessment mark register to have transparency in the Internal Assessment mechanism.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Examination related grievances are handled by the tutors and faculty members handling respective courses to make it time bound and transparent. Answer scripts of Continuous Internal Assessment Examinations are distributed to the students as regard to total checking and for clarifications if any.

1. Student approaches her tutor for clarifications related to valuations of Continuous Internal Assessment Examinations and others if any.
2. Students are informed of the correct answers through Google classroom after the CIA examinations.
3. Student issues related to the above is perceived by the tutor within a week.
4. A clear record on feedback about all the question papers is

maintained.

5. The entire process is monitored by the chief examination In-Charge and then the final details forwarded to the Bharathiar University through the Principal.

- Examination Cell helps the students for examination related grievances during the conduct of the CIA and model examinations.
- For the conduct of University Examinations, for every semester, each department in the college takes charge of examination cell on a turn basis.
- The Student Union Council with two or three senior faculty members look into the college level grievances related to academic and non-academic matters.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The College adapts Outcome based education rather than input oriented bell shaped curve of learning. The following mechanism is followed by the institution to communicate the learning outcomes to the teachers and students.

- Graduate attributes are described to the first year students at the commencement of the programme.
- First week at the commencement of each semester is spent by the teachers for introducing the course outcomes to the students.
- Learning Outcomes of the Programs and Courses are observed periodically.
- Soft Copy of Curriculum and Learning Outcomes of Programmes and Courses are uploaded on the Institution website for reference.
- The importance of the learning outcomes has been communicated to the teachers in every IQAC Meeting and Staff Meeting.
- The students are also communicated about the Programme

outcomes, Programme Specific Outcomes and Course outcomes through Tutorial Meetings.

- The website is regularly updated to showcase PO's and CO's and therefore they are well aware.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Program Outcomes, Program Specific Outcomes and Course Outcomes are considered as the invariant core of the institution. Various principles and tools are applied to assess the learning outcomes of the students.

Method of assessment of POs / PSOs

The program outcomes and Program Specific outcomes are constructed on a culture of individualism including academic and Personal Autonomy. PO's and PSO's are well defined and displayed in the institutional website.

Academic attainment:

- Internal assessment + University Examination
- Entry level and exit level Pass percentage of students
- Rank Holders
- For each student, Progression is monitored through result analysis at the end of

I year, II year and final year.

Personal Autonomy:

- Evaluation of learning outcomes is entrenched in Exit Students' Feedback, Parents' Feedback, Teachers' feedback on courses and Alumni Feedback based on rating scales.

Course outcomes are correlated with POs and PSOs and checked at the end of the semester. Any shortfall noticed in the attainment is adjusted through better instructional strategies and counseling.

Productivity and efficiency measures are emphasized in Non-quantifiable contexts. Iterations and innovations are applied in teaching methodologies whenever and wherever necessary.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Nestled on Kangeyam Road, Tirupur, St.Jospeh's College is situated in the nucleus of the city. Along with the proximity of surrounding amenities, St.Jospeh's College affords easy access to students to one of the suburb's most bustling educational and technological hubs. The capital infrastructure consists of spacious classrooms, laboratories, Library, Auditorium, Herbal Garden and other amenities.

The infrastructure of a college plays a vital role in the development of the college as the students are now focusing on the labs, class rooms, etc while selecting a college. It is important that the college has very good infrastructure with advanced

laboratories equipped with state of the art equipment etc.

The College, to boast its convention has 3 academic blocks -Ravel Block, St. Francis Block and Sacred Heart Block. To provide an academic cum tranquil vibes, the Library has been constructed with contemporary features. The College also houses an elegant chapel which permeates spiritual fervour and instilling a sense of moral values and ethics.

The Alona Auditorium built with a fine aesthetic sense makes the college proud during the conduct of academic and cultural programmes. The Canteen effectively caters to the wellbeing and good health, of all providing hygienic, nutritious, tasty and aromatic food.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institution has the following facilities which are kept open beyond the working hours for students and staff.

The College has a spacious Gymnasium and well equipped Sports room, where students can play Indoor games like chess, carom, Table tennis etc.,

Sports event competitions are conducted in the interdepartmental level in an academic year and the winners are rewarded accordingly. The outdoor games such as shuttle, volley ball, throw ball, cricket, football, kabaddi, hand ball, kho-kho etc., are well played by the students. Basketball Court enables the students to practice and enjoy the game in a full-fledged manner.

As cultural activities are an integral part of the study, the students are permitted to participate in various cultural activities inside and outside the campus. It provides personal growth by learning skills, to meet new people and to pass on the cultural traditions.

Students are very much encouraged to participate in the cultural events held in the college like Fresher's day, Annual Sports Day, Annual Day, Farewell etc., to exhibit cultural talents. Students are even sent to other colleges for intercollegiate competitions like dances, skits, mimicries etc., We have some clubs/ Committees to enhance the hidden talent of the students.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

VISION

St.Joseph's College aims to offer holistic education for the empowerment of young women by promoting academic excellence, employability and leadership qualities with social commitment.

MISSION

- To impart Holistic education
- To ignite Intellectual Capabilities
- To promote Communal Harmony
- To nurture Social Commitment
- To develop Eco Consciousness

The Governing Body serves as the decision making body at the highest level. The Principal is the Head of the institution, holding the necessary powers for academic and administrative work. She ensures the organization's management system, implementation and continuous improvement with the help of administrative heads, committees and councils following the guidelines of AISHE, UGC and the affiliating University.

The Secretary is the authority in matters relating to recruitment of faculty, monitoring financial accounting and improvement of infrastructure facilities. The Principal is the authority in matters relating to admission of students, providing research orientation, functioning of all committees, students' and staff grievance redressal, monitoring the duties of faculty and support staff. Participation of Principal, Heads of the Departments, and co-ordinators in decision making processes increase the level of dissemination of ideas and creative implementation of strategies. Governing Body meetings, Council, staff meetings and parent teachers meetings are conducted regularly.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Internal and external financial audits are done regularly. Internal audit is carried over by the Secretary of the College. External Audit is carried over by Thomas & Co, Accounting Firm, Coimbatore.

All account books are maintained by the accountants as per the rules and regulations on admissions. Internal accountants verify the books regularly. Entries done by one accountant are verified by the Principal. Errors found are analyzed and fixed instantly. Any doubts or concerns raised are recorded and that is clarified whenever necessary by the auditor who regularly works for the institution. The auditor verifies all the account books twice in a year and provides inputs to incorporate the required changes as per the statutory requirements.

The external Auditor verifies income and expenditures of various aspects. Receipts and payment vouchers of daily transactions are checked by external auditor after scrutinizing and preparing the income and expenditure statement.

External Auditor will submit the audited statement to the management.

The management discusses and approves the audited statement in the Governing body meeting and submits the audited statement for approval. The accountant of the office daily checks the receipts and payments and all the activities are systemized in the computer.

Solid waste management

Minimization Practices adopted for Solid Waste in our Institution are: "Preparing Organic Manure from Green Waste". Incinerators are kept near washrooms in every Block to dispose sanitary napkins.

Liquid waste management

The College has used many controls to reduce the absolute amount of Liquid waste that it produces from college. They are:

- 1. Waste Water Management.**
- 2. Rain Water Harvesting.**

Sensor invented by a student in Department of Physics has been installed which alarms with sound before overflow of water from

the tank.

Biomedical waste management

Chemistry Laboratory in the College ensures Partial disposal of Bio medical waste in a scientific manner.

E-waste management

Recycling of E-Waste and Paper Waste is done through NGOs

Waste recycling system

The College uses reusable resources and avoids unnecessary packaging wherever possible. Practices such as Reusing one side printed papers and reusing the Covers on the reverse side are always carried out in the College.

Hazardous chemicals and radioactive waste management

Minimization Practices are adopted for Ignitability characteristic, Corrosiveness, Reactivity and Toxicity.
